

## ELSI SERVICES

### *WHAT IS THE ELSI ABOUT?*

BBMRI-ERIC provides tools and expertise, as well as knowledge and experience sharing on ethical, legal and societal issues for the biobanking community through its Common Service ELSI.

### *HOW CAN I ENGAGE?*

**Sign up for the e-Newsflash!**  
**Sign up in our ELSI expert database!**

<http://bbmri-eric.eu/>

### *WHO IS THIS SERVICE FOR?*

The service offers support on ethical, legal and societal issues related to biobanking activities. It is primarily intended for users located in Member Countries of BBMRI-ERIC.

### *WHO TO CONTACT?*

**Michaela Th. Mayrhofer,**  
BBMRI-ERIC Senior Project  
Manager and Chief Policy  
Officer CS ELSI,  
[michaela.th.mayrhofer@bbmri-eric.eu](mailto:michaela.th.mayrhofer@bbmri-eric.eu)

## KEY ELIS SERVICES

- ✓ **Offering practical interpretation of new legislations** (e.g., FAQ on GDPR)
- ✓ **Monitoring of relevant ethical and legal frameworks in development** (e.g., Safe Harbour)
- ✓ **Coordinating replies to relevant public consultations on the European level** (e.g., Council of Europe Recommendation CM/REC(2016)6)
- ✓ **Developing tools to support biobankers in their daily work, especially when addressing legal matters** (e.g., WIKI legal & hSERN)
- ✓ **Informing about publications & research results, surveys, and relevant meetings**
- ✓ **Providing an ethics check of ELSI compliance for research proposals**
- ✓ **Organising experience sharing and exchanges regarding ELSI aspects** ([www.europebiobankweek.eu](http://www.europebiobankweek.eu))

Sets up a Help Desk on ELSI issues (forthcoming in 4Q 2016)
