

CODE OF CONDUCT FORUM MEETING

June 7th 2017

COMECE - Square de Meeûs, 19, B-1050 Brussels, Belgium

In previous meetings, the key items to be included in a Code of Conduct have been identified and require further specification in the months to come. To date more than 100 interested experts and organisations indicated their interest to join the initiative and to contribute on various levels. **The aim of this forum meeting** is to present the envisioned governance structure and timeline, fine-tune the key issues in an open discussion before agreeing on reference and writing groups to specify who does what for reaching our joint goal.
