

BBMRI.QM ACADEMY

Hosts:

Jens Habermann

Professor Jens K. Habermann, MD, PhD, is Director General of BBMRI-ERIC (Biobanking and Biomolecular Resources Research Infrastructure – European Research Infrastructure Consortium) since September 2020. He is on leave of absence from the University of Lübeck as Head of the Section of Translational Surgical Oncology and Biobanking and as Head of ICB-L (Interdisciplinary Center for Biobanking-Lübeck). He obtained his M.D. training at the Medical University of Lübeck (Lübeck, Germany), received his Ph.D. at the Cancer Center Karolinska, Karolinska Institute (Stockholm, Sweden) and a Postdoctoral Fellowship at the National Cancer Institute, NIH (Bethesda, USA). As board certified specialist in human genetics, Prof. Habermann combines clinics, biobanking, and translational (cancer) research to optimize precision medicine.

Andrea Wutte

Andrea Wutte MSc, has been leading BBMRI-ERIC's Quality Management Service since 2014. The service includes QM consultancy programmes for biobank- and biomedical research-relevant European and international standards and guidelines, monitoring and audit programmes, training and education formats, assessments and the initiation of improvement strategies/actions and accompanying measures. Andrea holds a European Quality Manager and Lead Auditor EOQ personnel certificate and is advisor for several accreditation agencies. She acts as BBMRI-ERIC Liaison Officer to ISO/TC 276 'Biotechnology', ISO/TC 212 'Clinical laboratory testing and in vitro diagnostic test systems', ISO/TC 215 'Health informatics' and CEN/TS 140 'In vitro diagnostic medical devices'. She is a biologist by training, and received her university degree from the University Graz.

Ulrike Rohrer

DI (FH) Ulrike Rohrer, MBA, is an industrial engineer with training in quality management, human capital management and accounting & controlling. She was educated in Austria, the Netherlands, and the US. In 2008, she graduated with a double degree in Industrial Management at the University of Applied Sciences FH JOANNEUM Kapfenberg and a diploma in Engineering for Technology Management at the University of Applied Sciences Windesheim. Her professional career led her to various positions and stays at Siemens in Austria, The Netherlands, Singapore, and Sweden. After a decade abroad, Ulrike joined BBMRI-ERIC in 2014, at the Central Executive Management Office in Graz. In addition to her work at BBMRI-ERIC, she finalized her part-time MBA in Human Resources at the Karl-Franzens-Universität Graz – UNI for LIFE in 2018. In 2020 she completed her certification as EOQ Quality Management Representative. To date, she is involved in BBMRI-ERIC's Quality Management Service, specifically in Training & Education.
